

RACK & REEL

POLYESTER SINGLE JACKET, THERMO-POLYURETHANE LINED HOSE

The Firequip Rack & Reel hose is a versatile solution suitable for various industries. Ideal for use in hotels, schools, and for indoor fire protection, it serves as a standpipe hose, an occupant use hose, and more. This all-synthetic standpipe hose replaces traditional linen hoses, offering significant advantages.

Manufactured to be extremely lightweight, flexible, and compact, the Rack & Reel hose is designed for easy handling and storage, making it an excellent choice for effective fire safety.

TEMPERATURE RANGE: -40F to 150F (-40C to 66C)
