

# FIREQUIP

## FIREQUIP DJ800

The DJ800 double jacket EPDM rubber lined fire hose is a lightweight fire hose that is ready to do it all.

This hose can be used as a municipal attack and supply line, a relay pumping/rural water supply, can be used for industrial fire fighting environments, master stream applications, and crash/fire rescues.

The tightly woven fabric allows for flat folding while also being resistant to abrasion and kinks.

Warranty: 10 years

Standard Lengths: 25', 50', 100'

### CONSTRUCTION:

EPDM Inner Liner w/ Polyester  
Outer Double Jacket

### TEMPERATURE RANGE:

-40F to 150F (-40C to 65C)
