

FIREQUIP

FIREQUIP FLASH POINT

With grab-and-go portability and reliable performance, Firequip Flash Point is the hose you want on your truck for quick response—ideal for knocking down hot spots.

Flash Point Forestry Hose is designed to be carried by back pack or by hand for long distances over steep or rough terrain and forest conditions. This hose is a premium quality and long-lasting hose designed for use in brush, grass, and forestry fires. It was also designed for use with portable pumps, heavy duty pumps and tank trucks.
